13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

The Property will be sold subject to any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties, for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way, and any easements, reservations, rights and covenants reserved by the Grantor herein.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. "Bona fide established commercial agencies" has been construed to include licensed real estate brokers engaged in the business generally.

15. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

- A. The closing date of the sale is thirty (30) calendar days after acceptance of the bid. Upon agreement by the Government, the Purchaser may close the transaction prior to the thirty (30) calendar day period.
- B. On the closing date, the Purchaser shall tender to the Government the balance of the purchase price in the form of a cashier's check, certified check or electronic wire transfer. Upon confirmation that Purchaser's wire transferred funds have been received by the Government or that Purchaser's funds by check have been confirmed to the satisfaction of the Government, the Government shall deliver to the Purchaser the instrument, or instruments, of conveyance. Possession of the Property will be assumed by the Purchaser at the time of closing. The Government reserves the right to extend the closing date for a reasonable amount of time.

16. DELAYED CLOSING

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$200.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.
- B. All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.
- C. A conformed copy of the recorded quitclaim deed shall be provided by the Purchaser to GSA, within five (5) business days after recording, at the following address:

U.S. General Services Administration
Office of Real Property Utilization and Disposal (7PZ)
819 Taylor St., Room 8A10
Fort Worth, Texas 76102
Attn: William Morgan

18. OFFICIALS NOT TO BENEFIT

No member or delegate to the Congress, or resident commissioner shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit. GSA employees are prohibited from bidding on the Property offered in the IFB.

INSTRUCTIONS TO BIDDERS

1. AUCTION START DATE

The auction opens on May 31, 2011 at 2:00 p.m. (Central Time).

2. TYPE OF SALE

This sale will be an online auction conducted at RealEstateSales.gov. The auction will be conducted over a period of time, usually several weeks, as determined by bid activity. The date of the auction close (see Paragraph 10, Auction Close) will be announced at RealEstateSales.gov, with at least three business days prior notice. The auction may continue beyond that date as long as bidders continue to submit higher bids. Thus, the bidders determine when the sale closes by their bidding activity.

3. BIDS AND TERMS OF SALE

Bids to purchase must be ALL-CASH. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of this Property for financing.

4. SUGGESTED OPENING BID

The suggested opening bid amount does not represent the value of the Property but rather provides a reasonable starting point for the online auction. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all bids.

Section 552a), and will be collected only to verify the data submitted by the user and for the proper refund of the Registration Deposit.

GSA Auctions® does not automatically charge credit cards on file, and does not assume that the credit card you used for validation at registration is the one you will choose to use to pay for an item won by you in an auction. No bidder will be allowed to participate in the sale until the entire registration process is complete.
- D. Registration may occur any time prior to the conclusion of the auction. The Government, however, makes no representation or guarantee that your registration will be completed prior to the announced date and time for the receipt of final bids. Therefore, bidders are encouraged to register before the auction opens.

6. BIDDING IN GENERAL

- A. Registered bidders may place an initial bid online by following the instructions at RealEstateSales.gov. By submitting your bid through RealEstateSales.gov, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your Username and password.
 - 1) After successful completion of the registration process, users, also known as "Bidders," are permitted to participate in online auctions. The Bidder Menu provides you with the capability to browse and place bids; track items of interest; follow auctions where bids have been placed; to change your personal information and settings; and to access an easy-to-use online Help Menu.
 - 2) GSA Auctions® provides up-to-date information on your bidding status. You can check the bidding status by clicking on the Bid History.
- B. Bids received through RealEstateSales.gov are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.
- C. Bids must be submitted without contingencies.
- D. Bidders that are currently in default status on GSAAuctions, for non-payment or non-removal of items, will not be allowed to place bids for real property. They will only be allowed to "browse" the items. Once a bidder cures their default, they will be unblocked and be given access to begin bidding on items upon receipt of the required Registration Deposit. For more information, review the GSAAuctions [Terms and Conditions](#).

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

- A. Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.
- B. If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at 817-978-4239. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction.

8. INCREASING YOUR BID ONLINE – PROXY BIDDING

- A. RealEstateSales.gov allows you to place flat and proxy bids. A flat bid is the minimum bid you can place online. Flat bids are usually the starting price of the auction or the current winning bid plus the bid increment. A proxy bid is an amount you are currently willing to bid for a property that is higher than the stated Bid Increment. With your proxy bid, RealEstateSales.gov incrementally bids on your behalf to keep you the current winner of the auction until your proxy is reached. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your proxy bid amount if you want to continue bidding. Your proxy bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.
- B. When two proxy bids compete, the greater of the two always wins. If the greater proxy limit does not exceed the lesser proxy limit by the full stated Bid Increment, then the greater proxy limit bid is placed. You may increase or decrease your proxy bid limit at any time. You cannot decrease your proxy bid below the current bid. If you are currently the winner in an auction, increasing your proxy bid will not increase your current bid until challenged by another bid.
- C. If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

- A. The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive a bid by any method. Failure to receive a bid may include, but is not limited to the following:
- 1) Receipt of a garbled or incomplete bid.
 - 2) Availability or condition of the sending or receiving electronic equipment.
 - 3) Incompatibility between the sending and receiving equipment and software.
 - 4) Malfunctioning of any network, computer hardware or software.
 - 5) Delay in transmission or receipt of a bid.
 - 6) Failure of bidder to properly identify the bid.
 - 7) Security of bid data.
 - 8) Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
 - 9) Unavailability of GSA personnel.
- B. If your bid is not accurately shown or you can not enter a bid at RealEstateSales.gov then you should call GSA at 817-978-4239 or 817-978-2331 for assistance.

- C. The Website will NOT be available during the following system maintenance windows:
- Saturday: 5:00 a.m. to 8:00 a.m. CT
 - Sunday: 6:00 a.m. to 10:00 a.m. CT
- D. The Website may NOT be available during the following system maintenance window:
- Wednesday: 5:00 a.m. to 6:30 a.m. CT

10. AUCTION CLOSE

- A. The Government will announce a date and time for the Close Time on RealEstateSales.gov. The Government will also set a Bid Interval or "challenge" period for bids. The Time Remaining countdown clock announces the time left to bid. The High Bid must survive the Bid Interval without challenge, usually within 24 hours of the auction close time, to win. If the High Bid on the announced date and time survives the full Bid Interval period without challenge, then bidding will close at the stated time and consideration for award will be given to the High Bidder.
- B. If an increased bid is received within the Time Remaining and the Bid Interval is 24 hours, then bidding will be held over for an additional Bid Interval (including weekends and Federal holidays) on the same terms. This process will continue until the high bid survives the full Bid Interval period unchallenged. Bid Intervals may be changed from 24 hours (reduced or increased) as determined by the Government. For Bid Intervals of less than 24 hours, the auction will not close during non-business hours, weekends or Federal holidays and the bidding will continue to the next business day. **The Government reserves the right to increase or decrease the Bid Interval at any time prior to the close of the auction.** Bidder agrees that notices of changes to the sale are satisfactory when made available on the Website at RealEstateSales.gov.

11. CONTINUING OFFERS

- A. Each bid received shall be deemed to be a continuing offer for sixty (60) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.
- B. If the Government desires to accept any bid after the expiration of the sixty (60) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

12. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

13. BID EXECUTED ON BEHALF OF BIDDER

- A. A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.
- B. If the bidder is a corporation, the Certificate of Corporate Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

- C. If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the bid on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.
- D. If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager.

14. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed or mailed to the bidder or their duly authorized representative at the fax/phone number or address indicated in the bid. The processing of a bid deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

15. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without award and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount, re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

16. TEN PERCENT BID DEPOSIT AND TRANSACTION CLOSING

- A. Within five (5) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount, if required, in the form of a certified check or cashier's check, if any, which when added to the Registration Deposit, will equal at least ten percent (10%) of the total bid. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit.
- B. Upon acceptance of a bid, the bid deposit shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within thirty (30) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

17. REFUND OF REGISTRATION DEPOSITS

- A. Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check may elect to receive the refund by U.S. Treasury check or by an electronic funds transfer (EFT). Bidders will be required to provide GSA with a Taxpayer Identification Number (TIN) to ensure the proper refund of the Registration Deposit by the U.S. Treasury. The TIN may be either a Social Security Number (SSN) or an Employer Identification Number (EIN). The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only for the proper refund of the Registration Deposit. Refunds will only be processed to the same individual or entity identified by the TIN. Bidders requesting to receive a refund by EFT will be required to provide additional information to GSA including bank

account information to process the refund. Registration Deposits provided by credit card will be credited to the same account number provided.

- B. Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 18, Back-up Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Refunds by U.S. Treasury check or by EFT will be processed in a timely manner but may require several weeks to complete. Refunds to a credit card will usually be processed within three business days.

18. BACKUP BIDDER

- A. The second-highest bidder will be the Backup Bidder. The Backup Bidder may be considered for award as the successful bidder for the duration of Continuing Offer period described in Paragraph 11, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to increase its initial bid deposit to the required 10% of the purchase price. The Backup Bidder's Registration Deposit may be retained, at the Government's discretion, without interest, until the High Bidder either provides the 10% bid deposit or completes the transaction. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.
- B. The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 17, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and make an award that is in the best interest of the Government.

19. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at <https://propertydisposal.gsa.gov> or RealEstateSales.gov.

20. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

NOTICES AND COVENANTS

The following Notices and Covenants will be inserted in the Quitclaim Deed.

1. NOTICE OF PRESENCE OF LEAD-BASED PAINT (LBP)

The Purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to converting the Property to a residential dwelling.

2. ASBESTOS-CONTAINING MATERIALS

- A. Bidders are warned that the Property contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
- B. Bidders are invited, urged, and cautioned to inspect the Property to be sold prior to submitting a bid. More particularly, bidders are invited, urged, and cautioned to inspect the Property as to its asbestos content and condition, and any hazardous or environmental conditions relating thereto. The Government will assist bidders in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Bidders shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards or concerns.
- C. No warranties either express or implied are given with regard to the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
- D. The description of the Property set forth in this IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
- E. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, licensees, or any other person subject to Purchaser's control or direction, or to any other

person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this sale, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

- F. The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

This deed and conveyance is expressly made subject to the following matters to the extent and only to the extent the same are valid and subsisting and affect the Property:
